## LCA Board Update

The Lincolnshire Community Association has reorganized itself to better serve the needs of the Community. The primary effort for the past few months has been in recruiting additional board members. While we have been successful in recruiting a new Treasurer, Secretary and Membership Chairperson we are still in need of the following positions: Communications Chairperson, Webmaster and Events Chairperson. In addition we will need chairpersons for almost every committee for the 4th of July.

The importance of these additional positions cannot be overstated. We are confident that the Community as a whole will

respond to our requests to fill staffing requirements for The Fourth of July Celebration. We are concerned however that we may not be able to organize the effort to contact and recruit these volunteers. We need your help now.

LCA Volunteers 4th of July  
2004

If you are unable to join us on the LCA Board. Please consider volunteering as a chairperson for one of the following 4th of July Committees:

- Food Service
- Family Games
- Entertainment
- Ticket Booth
- Vendor Relations
- Publicity
- Family Fun Run & Race
- Advertising Sales

The primary goal of The Lincolnshire Community Association is to preserve the safe and fun 4th of July celebration that we have all enjoyed in years past.

## Requesting a Grant From LCA

Many residents and organizations are not aware that LCA is interested in contributing monies in the form of grants to community organizations. Past beneficiaries of these grants have included organizations such as the Boy Scouts, Spring Lake Sports Leagues, North Park Sports

Complex, D.A.R.E., Lincolnshire Explorers Post, School District 103....and many others.

The criteria for the award of a grant is that the monies must be used to support an organization or activity that benefits the community as a whole. Grants are

awarded to organizations through a formal request. Please contact Michael Denning to discuss your needs and request a grant application.
