LCA Updates Website

At long last LCA has begun the process of updating the LCA website, www.lcaweb.org. If you have tried to access LCA on the internet you may have found that only the basic shell of a functional website exists. As a gift to the community, LCA will be offering the following functions on its new website:

Online Volunteer Sign Up:

Check to see where the most help is needed for LCA sponsored events. Sign up for a time slot with your friends. We'll keep it updated in real time so that you can commit to as much or as little time as you have available.

Picture Gallery: Upload and post your own Lincolnshire photos from events past and present or look for fun photos of your family and friends that are posted by LCA.

Community Calendar: A free place to post your event, or to check on the dates of

upcoming LCA and Village events.

LCA News: An electronic bulletin board that can be used to notify residents about grants that have been offered, events that will be scheduled and general news about Lincolnshire.

Membership Updates: an online sign up tool that will allow you pay annual dues and update your membership information.

About Us: Learn the history of LCA and how it evolved into its present form. Find out who is on the LCA Board and what we do to contribute to your community.

Contact Us: Send us an email. Your input and suggestions are valuable and appreciated.

Download Forms: Learn

how to request a grant from LCA. Nominate your neighbor for Citizen of the Year honors. Download the form or submit your requests and recommendations online.

Can you help us with this project? LCA is in need of a **Webmaster** to help coordinate the efforts of our web design and maintenance teams. Please contact Michael Denning.

LCA is very excited to get this project underway and we look forward to your feedback and comments. Look for an upcoming announcement about the launch date of our new website.

Other Positions Open

LCA is in need of a volunteer to sell and manage advertisements and sponsorships in the semi-annual Directory.

LCA needs a Communications Manager the help coordinate this newsletter and other LCA communication needs.

LCA 2005 Membership Drive

January, 2005

Dear Lincolnshire Resident,

The LCA is a not-for-profit volunteer community organization designed to promote good will and help make our Village a better place to live. Please help us continue in that tradition by completing the membership form below and returning it along with you check to the LCA at the address listed below.

In addition to seeking your financial support , the LCA is looking for volunteers. Whether it's just a few hours at one of our events or an enthusiastic voice on a planning committee, we need your help. The community events that we have all become accustomed to would not be possible without the generous help of numerous volunteers. We have vacancies on the Board and need committee chair persons for the 4th of July and Boo Fest. Please consider becoming an active member of the LCA. Our meetings are held the first Tuesday of every month at 7:30 in the Village Hall.

Kind Regards,
Michael Denning
